## HOLLYWOOD

Everyone reports a fine Bible school at Hollywood last week. There was an enrollment of 27. The average for the children for the week was 100 per cent. Mrs. Roberta Austin and Mrs. Shirley Franklin were the leaders. The teachers were Shirley Franklin and Marge Schampel, Louise Franklin and Denise Webb, Sandra Franklin and Nancy Slagle, Roberta Austin and Ruby Woodall. The refreshments were served each day by Annie Webb, Lucile Sheets and Marge Schampel. Refreshments were donated by the church members and friends. Everyone enjoyed the picnic at noon Friday. The ham for the picnic was donated, cooked and sliced by Mr. Scott Sheets, other delicious food was prepared and given by the ladies and friends of the church. It was a wonderful time of fellowship together. The Bible school closed Friday night with the commencement which as usual was enjoyed by each one. There were 22 guest at the picnic. Our thanks and appreciation to each and everyone who helped to make our Bible school a success.

It was so good to see Miss Donna Cawthorn at church Friday night after her recent car accident. We pray she may soon be fully recovered. It was also good to have Mrs. Hal Bryant at church Friday night after a recent operation. We pray she may have a speedy recovery.

Mr. George Jennings was taken back to Charlottesville Friday for treatments. He came back home Friday. Our prayers are with him and his love ones.

Friends and relatives were grieved when word came Sunday that Mr. Charlie McFadden had passed away. Deepest sympathy is extended his loved ones.

Mr. and Mrs. Leland Mosedale, of Laurel, Md., were week end guests of Mr. and Mrs. Scott Sheets.

Mr. Frank Covington and Mr. James Woodall spent Monday in Lynchburg visiting relatives and friends. Mr. Covington was a dinner and supper guest of Mr. and Mrs. James Woodall Monday.

Mrs. Lucile Sheets and Mrs. Betty Webb called in the home of Mr. and Mrs. L. H. Watson Friday. Mr. Paul Gunter and Mr. Alfred Almond called in the Watson home during the week.

Mr. and Mrs. Whit Woodall were visitors Monday afternoon of Mr. and Mrs. W. H. Wingfield and Mrs. Mary Bagby. Mr. and Mrs. James Woodall visited in the Wingfield and Bagby homes Friday evening.

Mr. and Mrs. George Inge, of Chester, Va., were visitors Tuesday of their sister, Mrs. Virgie Beasley.

Mrs. Kenneth Wingfield and son, of Roanoke, spent Thursday night with her parents, Mr. and Mrs. Kenneth Deaner and family. Mrs. Wingfield and son, Mrs. Deaner and Miss Dawn Deaner spent the week end in Newport News with Mrs. Ioan Mayberry and family and Mrs. Lucy Deaner.

Mrs. J. L. Torrence spent the week end with her sister, Mrs. W. T. Covington. Mrs. Torrence was a supper guest of Mr. and Mrs. Wayne Torrence and family Thursday night.

Mrs. Andy Davis and daughter, Robin Marie, visited relatives in Cumberland last week. They were visitors Saturday of Mrs. Mary Bagby and Mr. Frank Covington.

Mr. and Mrs. Rufus Wingfield, of Roanoke, spent the week end at their home in Appomattox. They visited in the W. H. Wingfield and Bagby homes while here.

Mr. and Mrs. Billy Inge called in the homes of Mr. and Mrs. L. H. Watson, Mr. and Mrs. W. H. Wingfield, Mr. and Mrs. Thomas Woodall and family and Mrs. Mary Bagby and family last week.

Michael Woodall, of Lynchburg, spent Friday and Saturday with his grandparents, the Thomas Woodalls. William and April Watson were also guests in this home Friday.

We were very sorry to hear Mrs. Kingsby Woodall is a patient in the hospital in Lynchburg. We pray that she and her husband may soon be feeling better.

Mr. Frank Covington and Mrs. Mary Bagby were dinner guests Sunday of Mr. and Mrs. Thomas Woodall and family in the Bagby home. In the afternoon they carried Mr. Covington to Lynchburg to visit Mr. and Mrs. Clem Woodall and family. Mr. and Mrs. Frank Woodall and Mrs. Sally Harvey. They also called in the homes of Mrs. M. L. Covington and Mrs. W. T. Covington on their way home.

Mr. and Mrs. Richard Webb were visitors Sunday afternoon of Mrs. Beulah Morris and family. The L. L. Webbs visited in this home Saturday.

We are so glad to hear Mr. Robert Coleman is feeling better.

Rev. and Mrs. W. H. Elder visited in the homes of Mr. and Mrs. L. H. Watson, Mr. and Mrs. W. H. Wingfield and Mrs. Mary Bagby Friday night.

Mr. and Mrs. L. L. Webb and Miss Joyce Webb were visitors Sunday afternoon of Mrs. Eva Marsh, Mr. Sam Coleman and Mr. and Mrs. Edward Greer and family.

Mr. and Mrs. Bill Watson, William and April served dinner Sunday to Mrs. Watson's parents, Mr. and Mrs. W. H. Wingfield in the Wingfield home.

Mr. and Mrs. Coleman Coghill, of Richmond, visited Mrs. Mary Bagby Sunday afternoon. They also called in the home of Mrs. Mildred Bagby Pickeral and family, of Lynchburg.

Mr. and Mrs. L. L. Webb and Joyce, the Kenneth Wingfields, Miss Dawn Deaner and Mr. L. H. Watson called in the homes of Mr. and Mrs. W. H. Wingfield and Mrs. Mary Bagby last week. Mr. H. W. Jenkins and Alfred Almond visited Mrs. Bagby and Mr. Frank Covington during the week end.

## "The South 40" by JAMES A. SMITH EXTENSION AGENT

Tobacco transplanting was 95% complete by last week. There were calls for plants even this week, but it's getting mighty late to get a crop of tobacco growing for this year.

The Virginia Crop Reporting Service in their recent release indicates that we harvested 645 acres of Fire Cured Tobacco last year. From all indication we will be well under this figure for 1978. Some growers feel that we'd be lucky to harvest 500 acres.

Sam Martin was telling me that he found small hornworms in his plantbed before he finished pulling plants. This is unusual, but it may indicate an early crop of hornworms. Better keep an eye open because they are capable of intense damage to small plants.

Rain has been spotty - some tobacco growers have already begun irrigation.

• • •

Wheat harvest will begin this week - weather permitting. The barley crop has been harvested with reports of some good yields. E. W. Carson and John Hix report yields of 60 to 80 bushels.

• • •

Blossom-end rot is reported appearing on some tomatoes. This occurs because of inadequate amounts of calcium.

Spraying two to three applications 5 days apart with four teaspoons of calcium chloride per gallon of water will help this condition.

• • •

The cabbage looper and imported cabbage worm are important pests of cabbage, broccoli, cauliflower and brussell sprouts.

The only effective insecticides for the home garden are bacillus thuringensis usually sold under one of these trade names — Dipel, Biotrol, or Thuricide.

• • •

Tomatoes should be sprayed at least weekly, more often if there's cloudy, damp weather, with one of the following: Bravo, Maneb, Zineb or Captan. Maneb or Zineb should not be used within 5 days of harvest; therefore, when tomatoes begin to ripen, use either Bravo or Captan.

• • •

Recent weeks have brought many questions about peaches and apples. Many of these trees need to be thinned. Severe damage can be done to heavy laden limbs, as well as the production of undersized fruit. It's still not too late to remove excess fruit -- space them about 6 inches apart.

Now is the time to get ready to treat peach trees for borers, using the following six steps:

1. Clear the grass from under the tree.
2. Scrape any gum from tree trunk. This permits the gas to more easily enter the holes in the trunk. Be careful not to injure the bark.
3. About 6 inches from the trunk make a depressed ring 1-1½ inches deep and apply paradechloro-benzine crystals (moth crystals) Apply PDB at the following rate:

| Age of Tree | | | | |
|---|---|---|---|---|
| 1 Yr. | 2 Yr. | 3-5 Yr. | 6+ Yr. |
| ¼ oz. | ¼-½ oz | ¾ oz. | 1 oz. |

4. Cover with 4-6 inches of soil and tamp tight with shovel.
5. At the end of six weeks remove the soil applied in step 4. Failure to remove soil will cause the PDB fumes to injure bark of tree.
6. This should be done in mid-July.

**Rob Martin, Pamplin dairyman,** looks over his new young stock housing facility that was recently completed. Martin's facility is 72' x 36' and is designed for five groups of calves. It has a southeast exposure to permit maximum sun penetration that provides winter warmth and drying. Three sides are enclosed with ½" exterior plywood.

When discussing the new facility with J. A. Smith, Extension Agent, Martin said, "I like this new structure and the one feature that I feel is most important in developing good cows is the clean fresh water."

Heated automatic waterers have been installed.

Smith said that this plan (B-7.40) is available from the Extension Office. The plan features - pole framed, partial roof; requires particular orientation, counter sloped, self cleaning floors, divided by tractor-scaped litter alley; fence line feed bunk and is suitable for growing replacement animals to 10 months of age.

Dairymen that are experiencing high death losses, worms, pneumonia and other calf stress and disease problems should consider constructing this type barn, Smith urged.

**O. H. TOLLEY, JR. stands in a five acre field** of the new Pioneer S-76 wheat. This is a bearded wheat that is low growing. Hopefully, yield and test weight information will be availabel in a few weeks, J. A. Smith, Extension Agent, reported.

### VIRGINIA FIBRE REPORTS WOOD PURCHASES FOR WEEK

### MATTHEWS TO CONDUCT REVIVAL AT PROVIDENCE

The Rev. Eston H. Mathews will conduct revival services at Providence Baptist Church in Red House beginning June 25 and continuing through June 30, 1978. You and your families are cordially invited to attend each of these services which will begin at 8 p.m. nightly.

Rev. Mathews presently serves as Director of Missions in the Henry County Baptist Association. He was one of the missionaries who helped to conduct the World Missions Conference in Appomattox Baptist Association in September of 1977.

Before assuming the position of Director of Missions for the Henry County Association in 1975, he was pastor of North Riverside Baptist Church, Newport News. A former assistant pastor of Calvary Baptist Church in Roanoke, Mathews served the Baptist General Association of Virginia as assistant State Sunday School Secretary from 1954 to 1958.

A native of Leesburg, Florida, he is a graduate of John B. Stetson University, Deland, Florida, and Southern Baptist Theological Seminary, Louisville, Kentucky. He was also awarded a Purple Heart during World War II. He and his wife, the former Anne Obenshain of Roanoke, have two children, Gerald and Martha.

Special music will be provided each night. Make your plans now to worship with and share in a week of spiritual uplift and renewal.

### SUPER DOLLAR EARNINGS

Super Dollar Stores, Inc. (OTC:SDOL), the discount variety chain of 136 stores headquartered in Raleigh, N.C., reported first quarter record-setting sales and earnings.

Sales for its quarter ended May 20, 1978 were $10,483,000, an increase of $2,485,000 or 31% over same quarter last year sales of $7,998,000. Leon M. Melvin, its President, attributed this increase to sales of 9 additional stores, higher sales of 13 relocated and 6 expanded stores since a year ago, and a 14% gain in comparative store sales.

Net income for the current quarter was $170,000 or 27c per share compared to $109,000 or 18c per share for the first quarter a year ago. The flood loss during the first quarter last year lowered net income by $39,000 or 6c per share.

During the current quarter the Company added a net of five stores, mostly in the coal-mining area of eastern Kentucky. It now operates 136 stores in the Carolinas, Virginia, Ohio and Kentucky, primarily in small towns.

We feel this information will be of interest to our readers in Appomattox County and in adjoining counties.

RAIN TIRE...SUN TIRE...ONE TIRE!

Tiempo is the one tire that's right for summer, because Tiempo gives you the right traction for almost any kind of road conditions. When it rains, Tiempo shines — with a unique tread design that helps channel water out from under the tread to help fight hydroplaning. On dry roads, the Tiempo tire gives you 10,000 biting edges for traction on curves and stops. You'll enjoy mile after mile of smooth, quiet-riding comfort . . . plus the strength of double steel belts. And the radial construction of the Tiempo tire helps save gas, too. Stop in today!
